FINANCIAL OBLIGATION

Each curricular choir student is assessed a dollar amount determined by the Muscatine School District based on the costs of cleaning and repair of the issued apparel (robes, dress, or tuxedo) that students wear for concerts. This fee is \$25 and is assessed by the Office of the Registrar. Waived and/or reduced fees are available for students on the Free/Reduced Lunch program. Checks need to be made out to the MHS Registrar rather than the Vocal Music program. **Do not make checks out to the Vocal Music Program for robe fees.** You will be assessed this fee at registration or notified by the school district when payment is due. Students are encouraged to secure a pair of black dress shoes for choir performances, but these may be borrowed from the program if needed.

EXTRA-CURRICULAR CHOIRS

IOWA CHORAL DIRECTOR'S ASSOCIATION POLICY STATEMENT REGARDING SACRED LITERATURE IN THE CHORAL CLASSROOM

It is the position of the Iowa Choral Directors Association that the inclusion of significant sacred and secular music is imperative to facilitate a total music experience for Iowa's youth. From a global perspective, choral music offers a wealth of literature that reflects and supports diverse cultures, traditions and people, as well as compositional styles of all eras. To achieve any educational objective, the quality of repertoire is of paramount importance.

While public school teaching objectives and criteria for repertoire selection should not support religious indoctrination, the selection of quality music will invariably include music with a sacred text within its broad scope. Music without sacred text, architecture minus cathedral, or painting without scriptural themes is incomplete, even from a secular point of view. Therefore, to exclude sacred music from the public school curriculum would hamper student as well as teacher opportunities in gleaning artistic understanding and aesthetic expression.

“Sacred” refers to all manner of religious belief and not only to the Judeo-Christian teachings. The term “study” includes not only classroom instruction but public performances as well. Prior to the 17th century, almost all significant choral music was associated with a sacred text. “Secular” refers to non-religious considerations. Since choral music with a sacred text comprises such a substantial portion of the artistic repertoire from the choral medium and the history of music, it should retain an important place in the music education of Iowa’s youth.

CLASSROOM POLICIES

RULES/EXPECTATIONS

**WHEN YOU ENTER THE CHOIR ROOM, YOU WILL, WITHOUT EXCEPTION,
ALWAYS ACT APPROPRIATELY AND WITH RESPECT.**

This means:

- Be on time and prepared for each rehearsal.
- Before rehearsal, retrieve necessary music and materials and take your seat.
- Put forth your best effort.

Those students who show disrespect or refuse to participate may be asked to leave. If this occurs, the student must report to the Assistant Principal’s Office immediately.

Also:

- A pencil is required for all rehearsals. It is recommended that a pencil be kept in your folder.
- Only water is allowed into the choir rehearsal. Anything other than water must be put away and saved for after class. This includes food and gum.
- If phones or other electronic devices are used during class without specific permission from the instructor, the device will be confiscated.

GRADING

Your final grade will be determined by the following:

- 55 % Assessments: Including voice lessons, concert evaluations, and tests
- 10 % Employability Skills: Including timeliness, concert appearance and behavior
- 20 % Practice: Quizzes and checks for knowledge
- 15 % Final

ASSESSMENTS

Students will be assessed in a variety of ways, both individually and in groups. **All choirs will have a final project or exam at the conclusion of each semester, which will constitute 15% of the student’s final grade.** The directors will determine any and all material on this final exam.

EMPLOYABILITY SKILLS

Employability skills grades are defined as:

1. Timeliness/Punctuality
2. Preparedness
3. Attitude/Respect/Behavior

The majority of these points will come from the student’s participation in the curricular concerts.

VOICE LESSONS

Voice lessons are a required part of the Choral Music curriculum at Muscatine High School and allow the instructor to individually assess each student as to their abilities and individual needs. There will be five to six lessons per quarter. Most students have rotating voice lessons. This means the student will be taken out of a class on the same day of the week once a week to have a voice lesson for fifteen minutes. Each week, the student will be taken out of a different class so no one class is being missed weekly. For example: if Jon has a lesson on Tuesday during fourth period this week, then he will have a lesson next Tuesday during fifth period, the next Tuesday during sixth period, and so on. Those students with study hall(s) (excluding second and third period study halls) or no class during periods 4 - 7 will have their lessons during this time every week. Mrs. Burford and Mr. Ryan prefer to plan during first period and rehearse during second and third periods, making periods 1-3 unavailable (If a student is needing a first period lesson, an exception may be made). As a result, a student may still be on the rotating voice lesson schedule even if they have a study hall during first, second, or third periods. Students who are unable to complete a lesson during the school day may request a before- or after-school lesson. These needs will be met as much as is possible.

Students are given a lesson pass at the beginning of each quarter that lists all dates and times of their voice lessons for the quarter. **They are to show this pass to their teachers well ahead of time** to allow for any modifications or make up time needed as a result of their brief absence in class. Instructors are asked by Mr. Ryan and Mrs. Burford to check for a pass if a student has a lesson. If the student does not have a pass, they should not be allowed to leave class. If they lose their pass, they must print another one off by visiting www.muscatinevocalmusic.org and finding their pass on the "Resources and Links" page under "Voice Lesson Resources".

MISSED LESSON POLICIES

If a voice lesson is missed, the student will have one week from the day of the originally scheduled lesson to make it up for full credit. The make-up lesson will take place during Enrichment time. It is the students' responsibility to schedule a make up lesson on Powerschool in the event that they miss their lesson for any reason.

If a student fails to make up the lesson in one week's time from the originally scheduled lesson, they will have an additional week to make up the lesson for 50% credit. If the lesson is still not made up within two weeks' time from the originally scheduled lesson, the student will receive a zero in the grade book for the missed lesson.

If a student is unavailable during Enrichment time, a make up lesson may be given another time during the school day, before, or after school. These times will be reserved for those who are truly unavailable during Enrichment time, not for convenience or preference.

If a student does not feel comfortable missing a particular class or is unable to leave class for their lesson due to a test/quiz or other situation, Mrs. Burford and/or Mr. Ryan may choose to confirm any conflicts with the teacher and the student will be allowed to make up the lesson for full credit within one week of the originally scheduled lesson time.

If a student is more than five minutes late to their lesson, the lesson will be canceled and they will need to sign up for a make-up lesson. Extensions will not be given if a lesson is canceled due to tardiness and the deadline for the make up lesson is missed.

Students will not be penalized for forgetting their lesson. Whatever the reason for missing the lesson, the student will have one week to make it up for full credit and an additional week to make it up for 50% credit.

If a student is ill the day of their lesson, they will have one week from the day of their originally scheduled lesson to make it up for full credit. Chronic illness/absence situations will be dealt with on a case-by-case basis.

IMPORTANT: Make-up lessons during Enrichment time will fill up very quickly. Only four people per choir per Enrichment period are allowed to make up a lesson at any one time. **You are NOT guaranteed a make-up lesson time during Enrichment, nor is it guaranteed that Mr. Ryan or Mrs. Burford will always be available when you want or need to make up a lesson. Deadlines for make-up lessons WILL NOT BE EXTENDED due to Mrs. Burford or Mr. Ryan being unavailable to give a make-up lesson outside of your regular lesson time. It is best**

for you to attend your regularly scheduled lesson, if at all possible. When it is not, you must communicate with us immediately for us to best help you!

MHS VOCAL MUSIC BOOSTERS

The Vocal Music Booster Organization exists to support the Vocal Music Department through fundraising and service opportunities. Parents of students enrolled in vocal music are encouraged to actively participate by attending monthly meetings, typically held on the second Thursday of each month. See calendar or email Mr. Ryan or Mrs. Burford for specific dates. The Boosters make significant contributions to the vocal program. *We welcome and need parents to get involved and support our students!*

ATTENDANCE/PERFORMANCE POLICY

CURRICULAR CHOIRS

Students participating in curricular choirs must adhere to MHS Attendance Policies. If your child is absent from school, their absence must be cleared within 48 hours of the day they were not present. Students must complete any assignments they missed while absent. When a student is absent from choir, it is their responsibility to see a director and find out what assignment(s) may have been missed. If assignments and/or lessons are not made up, students will receive a zero for those missing assignments/lessons.

Students in curricular choirs must be in attendance at all required concerts. Letter points are awarded for each curricular concert in which students perform. When conflicts occur, the director should be notified by phone or email as soon as the conflict is known. If no advance warning is given, parents/guardians have 48 hours from the day the student was not present to clear the absence with an email, phone call/message, or written note. This explanation must be signed by parents/guardians.

The directors will work to accommodate conflicts that arise from other school activities. School policy indicates that a performance of any kind takes precedence over a practice of any kind, state events have priority over conference, district, or local events, and, in the event of a competition conflicting with a performance, the student may choose which event they will attend, **without punishment**. Work is NOT an excuse for missing a concert. Students who have an excused absence from a concert may be required to complete make-up work in order to receive credit or the grade will be omitted and credit will not be earned. Students who are unexcused from concerts will not be allowed to complete a make-up assignment and will receive a zero for the concert grade, without exception. **Students absent from a performance for any reason forfeit any and all letter points associated with that performance.**

Those who are in select ensembles who miss performances risk their continued membership in the group.

EXTRA-CURRICULAR CHOIRS

Students chosen for extra-curricular groups must adhere to the schedule set up for that group. We ask that all students inform directors well in advance of known absences. Absences will be defined as excused or unexcused according to the MHS Attendance Policy. School policy indicates that competitions have priority over performances, a performance of any kind takes precedence over a practice of any kind, and that state events have priority over conference, district, or local events. Work is NOT an excuse for missing a performance or rehearsal. School activities will be worked around as much as possible. One aspect of extracurricular groups is performance. A student's commitment to these groups is made evident by attendance at rehearsals and those performances. These groups will operate under a three-strike attendance policy. This policy allows three strikes per semester. At three strikes, the director(s) may dismiss the student from the ensemble. **Expenses, such as for costuming or music, will not be refunded.** A strike may be defined as any of the following:

- Poor attitude/misbehavior/lack of participation
- Unexcused absence
- Tardiness (two tardies = one unexcused absence)
- Unexcused absence from a **PERFORMANCE** = two strikes

CONCERT ATTIRE

All curricular choirs will wear school-provided robes, tuxedos, or dresses at concerts. If you have a question whether or not an item of clothing is appropriate, ask at least one day before the performance. All items worn must adhere to the MCSD Dress Code Policy. **Failure to comply with the following concert attire requirements will result in the loss of 50 out of 200 total points offered.**

The following attire is required to be worn underneath the choir robes:

MEN

- Black T-shirt
- Black dress slacks
- Black socks
- Black dress shoes

WOMEN

- Black T-shirt
- Shorts/Skirt that does not go past the hem of the robe OR black dress slacks
- If wearing hose, neutral/flesh colored only
- Black closed-toed dress shoes (flats strongly recommended)

The following items are **not** to be worn for performances:

- Collared shirts under robes (collars do not fit under the robe and stole)
- Casual black shoes (TOMS, tennis shoes, flip flops, etc.)
- Brightly-colored bows/hair accessories
- Wide cloth/athletic headbands

If you do not own black dress shoes, you may borrow a pair of shoes from the choral program. This needs to be arranged at least one day in advance of the performance.

Please make sure that hair is restrained in such a way that it does not cover your face during performances.

Members of Chamber and Treble Choirs will wear either a tuxedo or a dress for performances. This attire is provided by the choral program. If a student is not comfortable wearing the issued attire due to gender expression, this must be addressed as soon as possible with the director and will be dealt with on a case-by-case basis.

CHOIR LEADERSHIP POSITIONS

The director will potentially select a choir leadership team for each choir with input from the students. This choir leadership team will be responsible for assisting the director(s) with clerical duties in rehearsal (distributing/collecting music, taking attendance, etc.), serving as a liaison to the director on behalf of the choir members, organizing robes following concerts, and helping with the end of the year Choir Banquet, along with any other duties that may arise during the course of the year. Letter points will be awarded to those who assist with the choral program.

This number is determined by multiplying the number of concerts by the 250 points each concert is worth, plus 100 points accumulated in other categories throughout the year. This number may vary yearly depending upon the activity of the ensembles. Award points are not cumulative from year to year. It is the student's responsibility to keep track of letter points throughout the year. The deadline for this point sheet will be announced in April.

For 2018-2019, in order to letter, the student must earn one hundred points in addition to the points earned for required curricular performances. To earn a service star, choir members must accumulate at least 500 points in addition to the letter. To double letter, choir members must earn 1,100 points in addition to a choir letter.

For students to earn awards, they must be choir members for the entire year, with the exception of transfer students. If you performed at the Awards Concert in Spring 2018, you will be awarded 250 points for the 2018-2019 year. No allowance is made for excused or unexcused absences from performances. Additional points may be accumulated in service to the choral program. Members of extra-curricular ensembles removed or resigning from the group during the course of the year will forfeit any and all points earned by their previous membership in that group. Any exceptional medical circumstances will be handled on an individual basis and in accordance with MHS administration.
